What we found

6 out of 39 businesses contacted responded to the business survey

41 businesses visited to inform about the scheme

7 comments on the interactive map

1 audit by the Accessibility Working Group

1 weekend of creative engagement events delivered by the Brixton Project

What people wanted

I love the pedestrianisation of Voltaire Road"

Plant as many green plants as possible"

The loading bay used by a number of local businesses should be retained in Voltaire Road"

General Concerns

Key concerns raised by local residents:

- Insufficient frequency and quality of street cleaning across the length Voltaire Road
- A lack of public space designed with children's needs in mind

Key concerns raised by local businesses:

- Household waste cluttering the pavements and deterring business
- The need to maintain a loading bay on Voltaire Road
- Motor vehicle access to the wider area
